Silent Auction Guidelines:

1. All items are donated by generous Outcry parents and 100% of your donation is used to fund our props, sets, licensing, theatre rentals, and other production expenses for our upcoming season.

2. Every item has a minimum bid, and all bid increases must be in whole dollar increments.

3. To place a bid, please write your assigned auction ID number in the next available box and write in your bid amount.

4. If the boxes fill up, bidding can still continue on the bottom of the page and the back of the page. No item has a maximum amount.

5. We will announce when the auction has 5 more minutes until close. This announcement will happen after the last performance of the evening. Once the auction closes, we will pick up all bid sheets and the auction will officially be over. At that point, all bids are final.

6. All items must be paid for by cash, check, credit card, or Venmo before they can be taken home this evening.
