UPCOMING PRODUCTION

by **Becca and Jason Johnson-Spinos**
Based on the book by **Robert Louis Stevenson**

Performs **November 14-17, 2024**
Cox Playhouse in Plano
directed by Becca Johnson-Spinos

A brand new adaptation of the Robert Louis Stevenson story of good vs. evil. A classic tale of gothic horror – exploring the concept that while someone might seem outwardly virtuous, no one can know what depths of depravity may lurk just below the surface. Dr. Jekyll's scientific experiment, aimed to create a perfect man, goes horribly awry, and now the sinister Mr. Hyde haunts the back alleys of London with his dark and vicious desires.

UPCOMING PRODUCTION

Music and Lyrics by **Stephen Sondheim**
Book by **James Lapine**

Performs **January 23-26, 2025**
Lewisville Grand Theater, Black Box
directed by Becca Johnson-Spinos
music directed by Cindy Johnston

James Lapine and Stephen Sondheim take everyone's favorite storybook characters and bring them together for a timeless, yet relevant, piece... and a rare modern classic. The Tony Award-winning book and score are both enchanting and touching.

The story follows a Baker and his wife, who wish to have a child; Cinderella, who wishes to attend the King's Festival; and Jack, who wishes his cow would give milk. When the Baker and his wife learn that they cannot have a child because of a Witch's curse, the two set off on a journey to break the curse. Everyone's wish is granted, but the consequences of their actions return to haunt them later with disastrous results.
